Case 32-CA-259754

**ORDER DENYING EXTENSION OF TIME TO FILE BRIEFS IN RESPONSE TO THE
BOARD'S NOTICE TO SHOW CAUSE**

On September 10, 2020, the parties in the above-referenced case filed a joint motion requesting a 30-day extension of time to file briefs in response to the Board's Notice to Show Cause. On September 14, 2020, the case entered the Board's Alternative Dispute Resolution program. Given its status in the ADR program, the Board's mediators held the case in abeyance until Tuesday, November 10, 2020.

The motion for an extension of time is **denied**. This case has been in abeyance for 60 days since the parties filed their motion requesting a 30-day extension.

Accordingly, the due date for filing briefs in response to the Board's Notice to Show Cause remains **Tuesday, November 10, 2020**.
